**TO WHOM IT MAY CONCERN  
INTERNSHIP-COMPLETION-LETTER**

This letter is to certify that **Muhammad Hasnain Pirzada** successfully completed his internship in Artificial Intelligence and Natural Language Processing at ITSOLERA from **24 June 2024** to **24 September 2024**.

During his time with us, he actively participated in a variety of key tasks, including but not limited to:

- **Development of an Intelligent Conversational Agent Creating a Chatbot that Responds to User Queries**
- **Enhanced Question Answering Using a Fine-Tuned BERT Model**
- **Real-Time Language Translation Tool**
- **AI-Powered Drug Repurposing: Leveraging AI to Discover New Therapeutic Applications for Existing Drugs**

Throughout the internship, he demonstrated an exceptional ability to learn quickly, adapt to various challenges, and collaborate effectively with the team. His technical expertise, combined with a proactive approach, resulted in valuable contributions to ongoing Artificial Intelligence projects.
